

NWT Association of Landscape Architects

Constitution

1. NAME

The name of the organization shall be the "NWT Association of Landscape Architects" (hereinafter referred to as the "Association").

2. CODE OF ETHICS

A code of ethics has been established to provide guidance and maintain standards for all members of the Association. The code of ethics will form part of the regulations of the Association.

3. OBJECTIVES

- a) To provide an opportunity to discuss design and landscape issues with landscape architects and other design professions;
- b) To promote improved landscape development throughout the NWT through fostering public, government and industry interests in landscape architecture;
- c) To provide professional representation for all matters affecting the practice of landscape architecture in the NWT;
- d) To uphold the values and practice philosophies expressed in the NWT Landscape Charter;
- e) To be a supporting Full member of the Canadian Society of Landscape Architects (CSLA) and be linked through the CSLA and independently to other landscape architectural components and associations;
- f) To provide an NWT base for education and information concerning landscape architecture. In this regard, the Association may act as trustee for scholarships, endowments, or trusts of philanthropic nature; and
- g) To promote the profession of landscape architecture.

4. LOCATION

The operations of the Association are to be chiefly carried out in Yellowknife, NWT, Canada.
