

AFTER WORDS

Claudia Villeneuve, who directed the CSLA award-winning project, Longueuil sur le parc, alerted LP to an important omission in our Summer Awards issue. She notes that two clients were responsible for the project : both Les Développements Longueuil-sur-le-Parc Inc. and Ville de Longueuil (which we failed to mention). Our sincere apologies to Ville de Longueuil and to Claudia, who is Architecte paysagiste for Daniel Arbour & Associés (DAA) Inc. (a member of IBI Group).
