Induction to the College of Fellows is the highest honour the CSLA bestows on its members. Candidates for Fellowship may be nominated by individuals through their CSLA component association. A jury of six Fellows, representing regions across Canada, selected the new Fellows based on extensive submissions documenting each candidate's contributions to the profession.

Since the inception of the CSLA's College of Fellows in 1964, 246 members have been given the prestigious designation "FCSLA", making it a true distinction and honour conferred by the Society.
