

2025 CONGRESS

Canadian Society of Landscape Architects Ontario Association of Landscape Architects

June 5 – 7, 2025

I would like to extend a warm welcome to everyone taking part in the 2025 Congress of the Canadian Society of Landscape Architects (CSLA) and the Ontario Association of Landscape Architects (OALA).

Landscape architects play a vital role in shaping our public spaces, infrastructure and our overall quality of life. I have tremendous respect for the work you do — designing public parks, gardens, playgrounds, residential areas, and college campuses that are not only pleasing to the eye but highly functional and harmonious with our natural environment as well. Your expertise has helped build vibrant and liveable communities across Ontario.

Kudos to the amazing team that organized this event.

It's a wonderful opportunity for CSLA and OALA members to network and share new ideas and perspectives, in the spirit of this year's theme of thinking outside the box.

My best wishes for a productive and inspiring congress.

Doug Ford
